

PRODUCTION WORKER

GIESSEN – Aantal uren: 32-40 per week – VMBO

Jobdiscription

Are you ready to be a part of a dynamic team, to kickstart your career? Then start as production worker.

Within this function, you will focus on the production of sealants and glues.

Using a recipe, you will independently produce sealants and adhesives. You follow the recipe, as if you are baking a cake. You must be willing to do physical work, you work with bags of raw materials of 20-25 kilos.

You adhere to the safety rules. You are also responsible for correct administration, keeping the workplace clean, visual quality checks, minor maintenance and all matters surrounding your production. You hand over work to your colleague at the end of your shift.

Organization

It is the world market leader in the development, production and sales of smart adhesives. Hybrid products are produced at the Giessen production location.

Requested

- You are available full-time in a 2-shift system
- VMBO working and thinking level
- You have your own transportation, because of the location
- Good ability of the Dutch and/or English language

Our offer

The working atmosphere is pleasant and there are good opportunities, like a contract in the future.

At the location the work environment is familiar and colleagues are always willing to go the extra mile for each other. Your health is also considered, there is a good cafeteria with a wide variety of sandwiches and salads - when you work the morning shift.

- Salary of € 18,02 incl. 4.4% ADV compensation and 14% shift allowance for all hours worked.
- 25 vacation days per year + 8.33% vacation money.
- Accrument of pension from day 1.
- 8% end-of-year bonus.
- Yearly summer event and you are rewarded for your efforts at the end of the year, with a great Christmas gift.
- Kilometer allowance from 10 km one way.
